Government Administration and Elections Committee

My Name is Gabrielle Barnes, zip code 06119.

I would like you to support the following:

HJ5 Resolution Proposing an Amendment to the State Constitution to Allow Early Voting

HJ13 Resolution Proposing an Amendment to the State Constitution to Permit Early Voting

HJ34 Resolution Proposing an Amendment to the State Constitution Permitting Early Voting and Voting By Mail

HJ95 Resolution Proposing a State Constitutional Amendment to Permit Early and Regional Voting

When I lived in Seattle, WA a few years ago, not only did we receive packets with every official up for election including their bio and an outline of their position on certain causes, but we were able to mail our votes in at our leisure, granting us time to think through and properly research our decisions. This form of voting is, in my opinion, the most democratic form of the process.

Thank-you!

Sincerely,

Ms. Gabrielle Barnes
